TECHNICAL SPECIFICATIONS

Basic information
Model: Aicci WL1-900C
Application: wall lamp, bedside and reading light, wall-mounted desk lamp, mirror cabinet, mirror and bathroom wall lamp
Manufacturer: Aicci Oy, Muurame, Finland
Colour: white, RAL 9016
Materials: powder-coated steel, acrylic optics
Weight: 2.3kg

Classifications and certificates
Enclosing class: IP44
Protection class: II
Energy class: A++

Declaration of conformity
CE marking
Design from Finland and Finnish Key Flag certified

Electrical specifications
Input voltage: 220-240VAC
Frequency: 50/60HZ
Maximum power: 15.4W
Consumption/ 1000h: 17.0kWh

Lighting data
Control: Casambi Ready
Distribution: bidirectional 50 / 50
Colour temperature: 2000 - 6500K
Intensity: 1810lm
Colour rendering index (CRI): >90
Lifetime L80B50C1: >60 000h
Efficiency: 2000K, 91lm/W / 6500K, 145lm/W

Installation
Mounting: with screws behind the luminaire or through the base plate
Electrical connection: fixed
