Aicci WL1-900P
IP20

RoHS CE

MADE IN FINLAND

DESIGN FROM FINLAND

TECHNICAL SPECIFICATIONS

Basic information
Model: Aicci WL1-900P
Application: wall lamp, bedside and reading light, wall-mounted desk lamp
Manufacturer: Aicci Oy, Muurame, Finland
Colour: white, RAL 9016
Materials: powder-coated steel, acrylic optics
Weight: 2.4kg

Classifications and certificates
Enclosing class: IP20
Protection class: II
Energy class: A++

Declaration of conformity
CE marking
Design from Finland and Finnish Key Flag certified

Electrical specifications
Input voltage: 220-240VAC
Frequency: 50/60HZ
Maximum power: 7.7W
Consumption/ 1000h: 8,5kWh

Lighting data
Control: no
Distribution: bidirectional 50 / 50
Colour temperature: 4000K
Intensity: 1150lm
Colour rendering index (CRI): >90
Lifetime L70B50: >50 000h
Efficiency: 170lm/W

Installation
Mounting: with screws behind the luminaire or through the base plate
Electrical connection: plug-in cord with textile surface, Europlug CEE 7/16, length 2.3m

903mm
28mm
110mm
